SAGA~~

Myra Arnall 12A

Dear Myra,
It's been so great knowing you through high school. Although we haven't gotten together as much as I'd like we've had a few good gab sessions especially during those good old Marist days. They were really fun and I'll never forget looking at your wallet every morning.
This year has been wonderful. Besides government it was fun working on Student night together - you and your make up artistry (and your cigarettes) - do hope your mama doesn't read this! We must get together during college. I hope when you come home to take a rest from bill-raising college life you'll give me a ring.
Much love,
Susan

Myra -
It's hard to believe that our Senior year is almost over and we have been through english together. I hope and wish you the best x luck at Auburn and hope to see you this summer.
Love
Susan

Myra -

Lynn Humphreys.

Myra,
Best wishes to a Chemistry buddy, who finally struggled through with the rest of us.
Steve '63

Dear Myra,

I have certainly enjoyed getting to know you this year. We've really had fun in Government, especially on the Supreme Court. I know you'll be a great success at Auburn next year and I wish you only the best. It seems so funny that we're finally graduating doesn't it? Myra, I sincerely hope your future holds much happiness and success. May God bless you always.

Love,
Jean

Sherry

Dear Myra,

I really have enjoyed being home Ec. and/or the Drill Team with you this year. You are so much fun to be with. We had a lot of fun on the Drill Team - I hate to see you leave. But I guess you're glad. I know you will do great in college. You really do deserve alot, Myra. Have fun in college - not to much. Stay as sweet as always and Good luck.

Love,
Linda

Hasn't this year been great! I'll always remember you as the girl that sat in front of me in Mr. Morgan's class.

I sincerely hope that in the years to come, every happiness will be yours. You are a wonderful girl and deserve the best.

Best wishes Always.

Melissa

Dear Myra,

Hallelujah! We've made it! This last year has been the shortest year of all, though. Time has just flown by.

Remember those stupid aprons at the first of the year in Home Ec? I say stupid, but, boy how I struggled. Oh, well, it's almost over now.

Good luck in everything always.

Cathy Dear

Myra,
It seems as if I have known you more than a school year. The time has really whizzed by but where I don't know. You are a sweet girl to be friends with. I have really enjoyed getting acquainted with you in chemistry class. I wish you all the best of luck in the coming years at college (study hard and have a great time socially) & I hope we can get together & see Maybe we can get together this summer. Love ya, Lisa

Dear Myra,

Well, we finally made it! Now if they just don't loose our diplomas. Best of luck in everything you do in the future years.

As the horizons of Atlanta broaden through industry, culture, and population, so do the horizons of the students of Druid Hills High School.

Myra,
Half my life I'd heard Pete D. talk about you but until this year I didn't have the privilege of your acquaintance. I've enjoyed your company in all sorts of incriminating activities – parents-out-of town-parties, rush parties, Jr. Sex. and numerous others. Best luck next year as Jr. College. May God bless you always.
Alma, CLASS '64

Myra, we went through the mediocre and now we're at the end of our days at Druid Hills. It can only say that I've enjoyed all of these years and especially the future years. Good luck in your future and best wishes always.
Carl ΚΔΚ/ΑΘ

Dear Myra,
Well, the senior year is about over and we will soon be college freshman. I've only known you for two years and I know you are a true friend – you deserver only the best from life. Good luck in whatever you may do.

For the past eight years Druid Hills has followed an Honor System given to them by the Senior Class of 1955. This was the first Honor Code of its kind to be carried out successfully in the Atlanta area. It consists of a pledge, posted in every classroom and an Honor Council which sees that the provisions of the code are carried out.

It is one of the school's largest clubs and offers an excellent opportunity to the students to work for the improvement of both their school and their community. To insure individual participation in civic betterment, each member is required to earn 25 service points per quarter. These are acquired in various ways: aiding the faculty, cleaning up after school sponsored activities, and working for the school in various capacities. Junior Civitan's group project is an annual fruit cake sale whose proceeds are donated to worthy causes, both in school and in the surrounding area.

Each year the student in the various high schools throughout the state of Georgia who scores highest on the College Entrance Board Examination is named STAR student for his school. This student in turn, chooses the teacher who has most influenced his scholastic achievement as his STAR teacher. Paul Parvis, a member of the Senior Class, was the STAR student for Druid Hills this year, and chose Mrs. Margaret Wight as his STAR teacher. Paul was also named STAR student for DeKalb County. He is shown receiving this latter award from Mr. Ray Blount, President of the DeKalb County Chamber of Commerce. Also pictured are Mrs. Margaret Wight, and Mr. Gifford Mable, Chairman of the Educational Committee of the DeKalb County Chamber of Commerce.

The acting was superb and the tension was greater than ever before. Then all was over, and the Sophomores won!

Boys' Gymnastics

The boys gymnastics team has truly proven this year that Druid Hills is the "School of Champions." They easily established themselves as the most outstanding high school gymnasts in the state. In regular meets, due to the lack of sufficient competition, the B team boys usually performed. Despite this Druid Hills was undefeated in regular season meets. In the DeKalb County Gymnastics meet the boys captured 26 out of the 27 places awarded.

Boys gymnastics consists of nine main events. These are: rope climb, trampoline, tumbling, floor exercise, parallel bars, high bar, rings, side horse, and long horse. Five of these events compose the All-Round Competition.

The boys gymnastics team is coached by Robert Nowell. Members of the varsity are John Hart, Ronnie Mayhew, Bobby Fay, Skipper Smith, Hank Rogers, Gary Barnett, Lenny Rubin, Bobby Tubb and David Creech.

Dear Myra,

I can still remember how mad you got when I used to tease you in the sixth grade - you looked like you could have cut my heart out sometimes.

Over the years you have been a good friend to me and it has meant a lot. We've done a lot of things together, Myra, that I'll always remember. We'll soon be graduating and we will go our separate ways, but for peats sake when you get home from school - call me! God bless you Myra wherever you may go.

February 28, 1963

The Druid Hills High School Class of 1963 can take pride in its accomplishments. It has reflected maturity in academic achievement, leadership and citizenship. As you come to the end of your year's work it is much easier to view in retrospect the various events and happenings which caused your reactions than it was to plot your course with unerring precision and achievement.

Many of you entered Druid Hills twelve years ago. I hope that your school has helped to prepare you adequately for the challenges of the future. You have learned that education is a never ending process. Most of you will continue your formal education in college and your learning throughout your life.

I have had the pleasure of working with this class for only one year. I owe a debt of gratitude to this class for its help and leadership to make this a successful school year. You have invested much of yourselves to your school and education. You have invested wisely. I am proud to have had the opportunity to be a part of your education. I am confident your story of success will continue.

Sincerely,

Matthew H. Hall

MATTHEW H. HALL
Principal

The role of a school administrator is very challenging. It involves many hours of work, sacrifice, and a great deal of dedication. The administration of Druid Hills High School fulfils all of these requirements. The scenes on this page depict Dr. Hall, principal of Druid Hills, in the role of administrator. He discusses school problems with Mr. Hill over coffee, ponders a decision about school policy, and relaxes at home with his wife and three children.

English

From the time a student enters Druid Hills to the day he graduates he is taught to appreciate his native language. He is taught writing that really says something and reading that has a genuine concern with things of the mind.

Through the instructors and knowledge of his teachers he is taught the basic elements of grammar and elementary literature to the more advanced sentence construction and works of the great writers; from William Shakespeare, and the great classics to Eugene O'Neill and the modern day drama.

From his teachers he learns the importance of the English language, its heritage, and its meanings. With a common knowledge of his language he is ready to conquer other fields with a sense of knowledge and understanding.

Social Studies

The field of Social Studies is as broad as the land it covers and as interesting as the men with which it deals. Through its various areas we learn of our heritage, of our fellow man, and of mankind's successes and failures.

Our instructors have inspired us with a strong desire to learn of our past and our present and to profit from this knowledge. They have made social studies interesting and challenging.

In meeting the challenges of science the student is brought face to face with such things as the mysteries of life and birth, light and sound, the atom and the Universe. Because of their knowledge and desire to activate student curiosity the science teachers have given life and vitality to the many realms of science.

Language

In the study of foreign languages, an elective course for those who are sincerely interested, the students learn of the mores, peoples, and languages of the world.

To further this conception, representatives are chosen each year to attend Emory Language Day, sponsored by Emory University, where they attend classes, see films and discuss the various countries and their languages.

The language students also have an opportunity to learn more through the Druid Hills language lab.

The language teachers have made their subject interesting and profitable.

Physical Education

At Druid Hills the importance of a strong body is equal to that of an alert mind. The development of physical fitness is coupled with that of the intellectual spirit in building a strong, well-rounded character.

Other than the compulsory courses in phys ed, the students are offered an opportunity to participate in outside athletic activities such as track, football, gymnastics, swimming, basketball, and tennis. Under the supervision of the Phys Ed instructors the students are taught the values of fairness and good sportsmanship, as well as those of being physically fit.

A vote of thanks goes out to our faithful custodians, John and Mr. Summerlin.

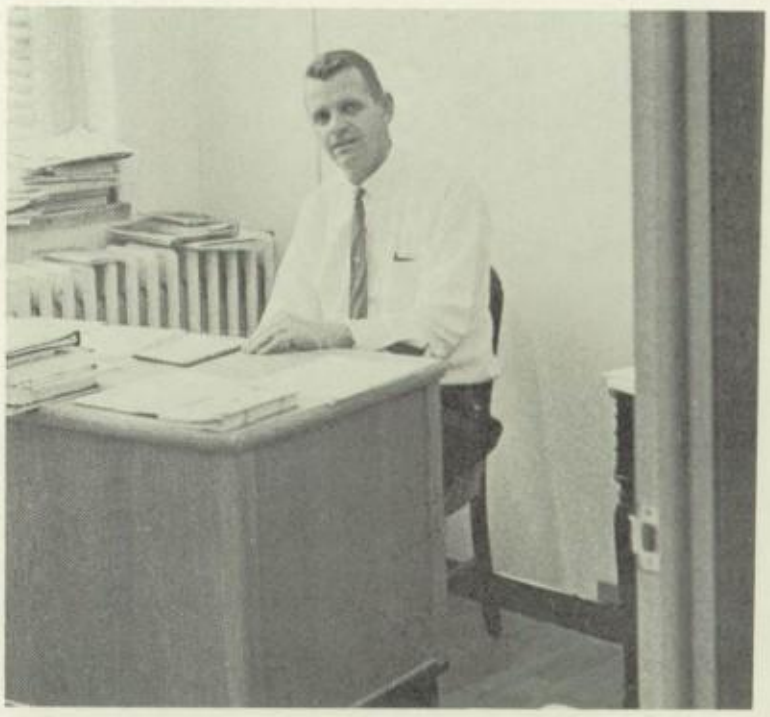
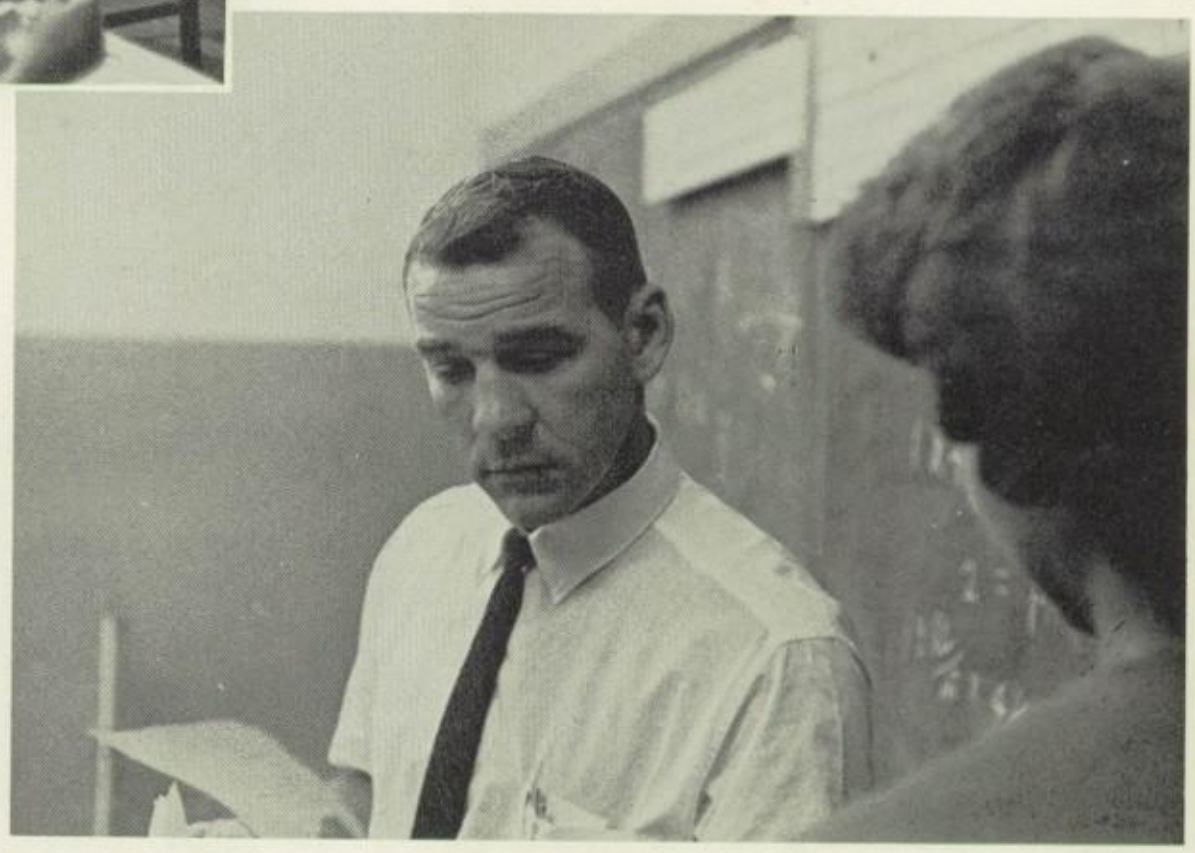
A typical scene of students bubbling over with enthusiasm as they receive their daily lunches.

Faculty Snaps

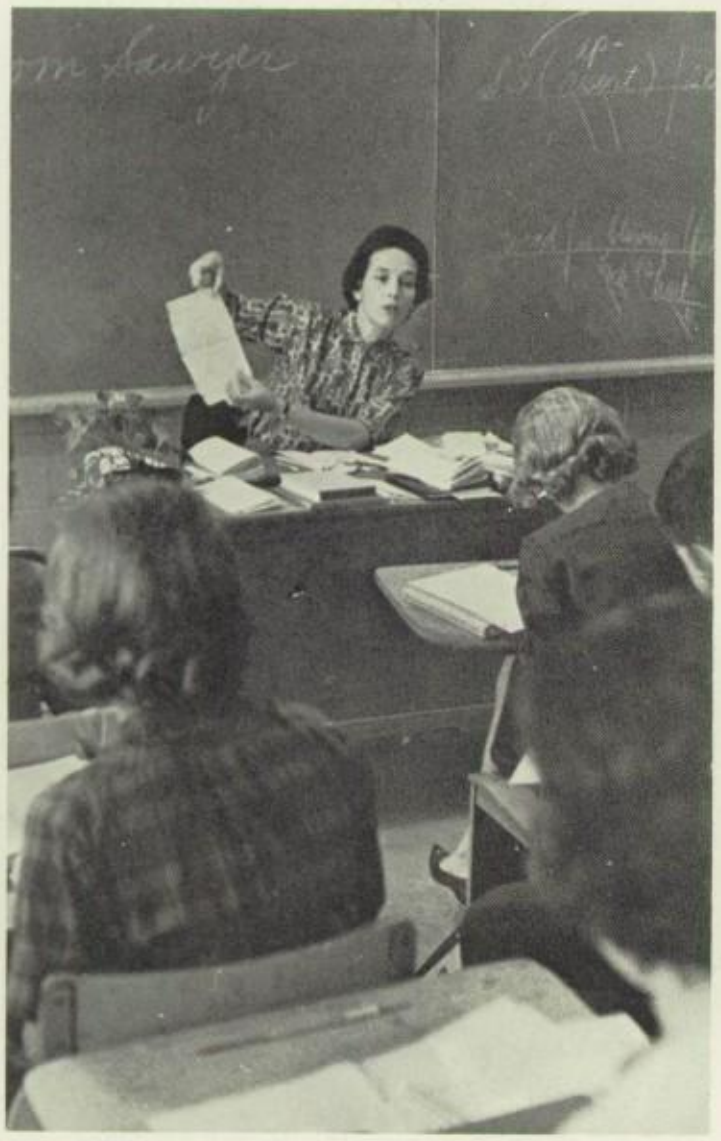
Let's not get off on a tangent.



Oh no, here comes another schedule change.



Another day, another problem.



Who folded his paper with chewing gum in the middle?

To suspend or expel, that is the question.

Dear Meyer,

Do end our Senior year! I really can't believe it. That is, I hope it is ending for me. - Of course Barbara has me quite worried!

You know, I just realize that our friendship was messed up because of me. I don't really know what happened or why it happened, but it did. I guess maybe I was too tied up with Scotty to pay any attention to my friends, and that was one of the greatest mistakes I could make. And then we started this snubbing and snarling for really no reason at all. They were SO silly! That's 5th grade stuff!! Maybe we should stop this feuding and grow up - By the way, do you remember what ~~[redacted]~~ we were fighting about? I don't - So let's call it finished ---

Well!! Now that that's out - Can you remember, or begin to, all the grand times we had together? One thing I'll never forget is your "Elder Chet - HA HA! Remember how I nailed up my tent that night? And all the KD parties and your 1st date?

And "Sink" - I wonder how she is. She's not! She never writes! And "Springs" and how you would'nt take a drag - And Christmas, and birthdays, and all the rides we took down Fraternity Row? And how we'd laughed together and cried together - Remember a certain phone call in the middle of the night which resulted in a tennis date (He didn't show up!)

Editor's Epitaph

What is an annual? It is a composite of many things—long hours, heated arguments, and hard work. It is duplicate layout sheets, typewritten copy, and finally, the packaging for the publisher.

It all began in the summer as an inexperienced staff took trips to the publisher to learn the workings of a yearbook. The cover was designed and after several sessions, the basic theme was decided.

With the beginning of school came the Tuesday night meetings, the afternoon activity pictures, and the Saturday morning class pictures. Superlatives were elected and the dedication decided. Then came the problem of getting the honored teacher's picture without her knowing about the dedication. This proved to be, perhaps the most difficult job of the entire year.

But the annual is not just work. It is more fun than can ever be imagined. It is trips to McDonald's, popcorn, lasting friendships, and encouraging lectures from our advisor when our work slows down. It is the Miss Druid Hills Contest and the thrill of sharing the excitement with the eighteen contestants.

It is witnessing the big events of the school year—the Jonesboro football game, a long awaited victory—Homecoming and the crowning of a queen—Snapfinger Farm, the first Senior Activity—Stunt Night, many smiles, a few tears—the Christmas dance, a Peppermint holiday—the fourth straight win in the Christmas Basketball Tournament—Twirp Week, the rivalry between the Junior and Senior girls' football teams—the Junior-Senior Dance, the Night of nights—and Class Night, the most important night of the year for the SAGA staff. This is the night our efforts are presented to the Student Body for approval.

The year has come . . . and gone. The annual has given us memories and experiences never to be forgotten. Our work is done. The SAGA of 1963 is no longer just ours; it is also yours!

Newberry

Dear Myra,

Well, this year is almost over. Two down and two more to go for me and you are all through! It must be tough! I don't think that I will ever forget our Home Ec. group - how could I! Especially the grapefruit, orange and pineapple salad with lemonade!! That was really outstanding!!! I'll never forget the blouse I tried to make and how I always ran over to your machine for H&LP!!! I never did turn it in!!!!! Do you blame me ???

I guess you are glad to get out of Home Ec because your ears are probably full of boy-talk now!!!!!!! You are always willing to listen though whether you want to or not!!!!

I'm you'd have found more than just a girl with a great personality, a great "leader", but a true friend.

Always keep your funny, warm and sparkling personality and you will go far into life.

I will never forget you and I hope to see you again next year when you come home "off and on"!!!

Best of luck goes to a girl who deserves nothing less than the best!

Love, luck & laughter,
"Rusty" (Class of '65!!!)

Myra,

It's saga signing time again. The time when you look back at the year's accomplishments (?) and add them to memories of the former years. And hasn't making it through Home Ec. been one big accomplishment. But all the miseries were worth it since I got to meet a great gal like you. Boy, we really learned alot from how to rip out stitching to how to cook and get sick. And we've really had some great times at Drill Team too! You've a great personality, fabulous sense of humor, and are always willing to help others. You can't beat a combination like that. Wishing you much happiness and success in later years. God bless ya! Love,

Piggy
